About Us

Founded by Ms. Kunal Thakral. We are the leading manufacturers and exporters of all kinds of Vegan leather Bags & Wallets and Other Handmade Vegan Leather Goods. Our expertise is in Vegan leather Bags. Our company is managed by skilled and experienced team producing superior quality products with great care and diligence that enables us to enjoy a good reputation in the international market. Our products are intelligently designed to suit every age and occasion and encompasses the true essence of sophistication and style. We intend to expand further with customization and innovation as our strength. Our aim is to serve our clients with our never ending quest for quality and world-class customer service.

Our Clients

From luxury brands like BMW to signature clients like naukri.com, we serve them all. Moreover, the supplies for these clients happen both in India and internationally. These clients have been long served by us because of our goodwill and competency. We never compromise on quality and delivers the best before the set deadlines.

Serving more than

100
Clients

Has all the major
Multinational corporate
brands under its clientele.

Quality IS OUR KEY

Havana Exclusive high quality standards

Our products are subject to a large number of tests:

In addition, what is important - quality standards are constantly improving. Total Quality Control System and significantly influence the high quality requirements in general

Color permanence and physical

Appearance fiber analysis for durability

Reliability test during time of which product is exposed to high/low temperature storage, salty & misty condition, upon results weak components should be replaced to prevent premature failure

Zipper opening / Closing over 5000 times

Endurance test during which product is loaded with more than 10 kg.

Production Unit & Capacity

Spread in an area of 1500 sq feet, our in- house production unit for leather, leatherette products and Vegan leatherette products is located in 603, Sector 37, Khandsa Road, Gurugram. The location itself is considered to be a hub of corporate gifting. Customization and innovation are the core values of our productionhouse.

With a worker strength of more than 30 people, Havana Exclusive works towards ensuring strong production capacity and stringent quality checks. Each supply goes through rigorous finishing so that the best gets delivered. Needless to mention, our delivery structures are well placed withtime.

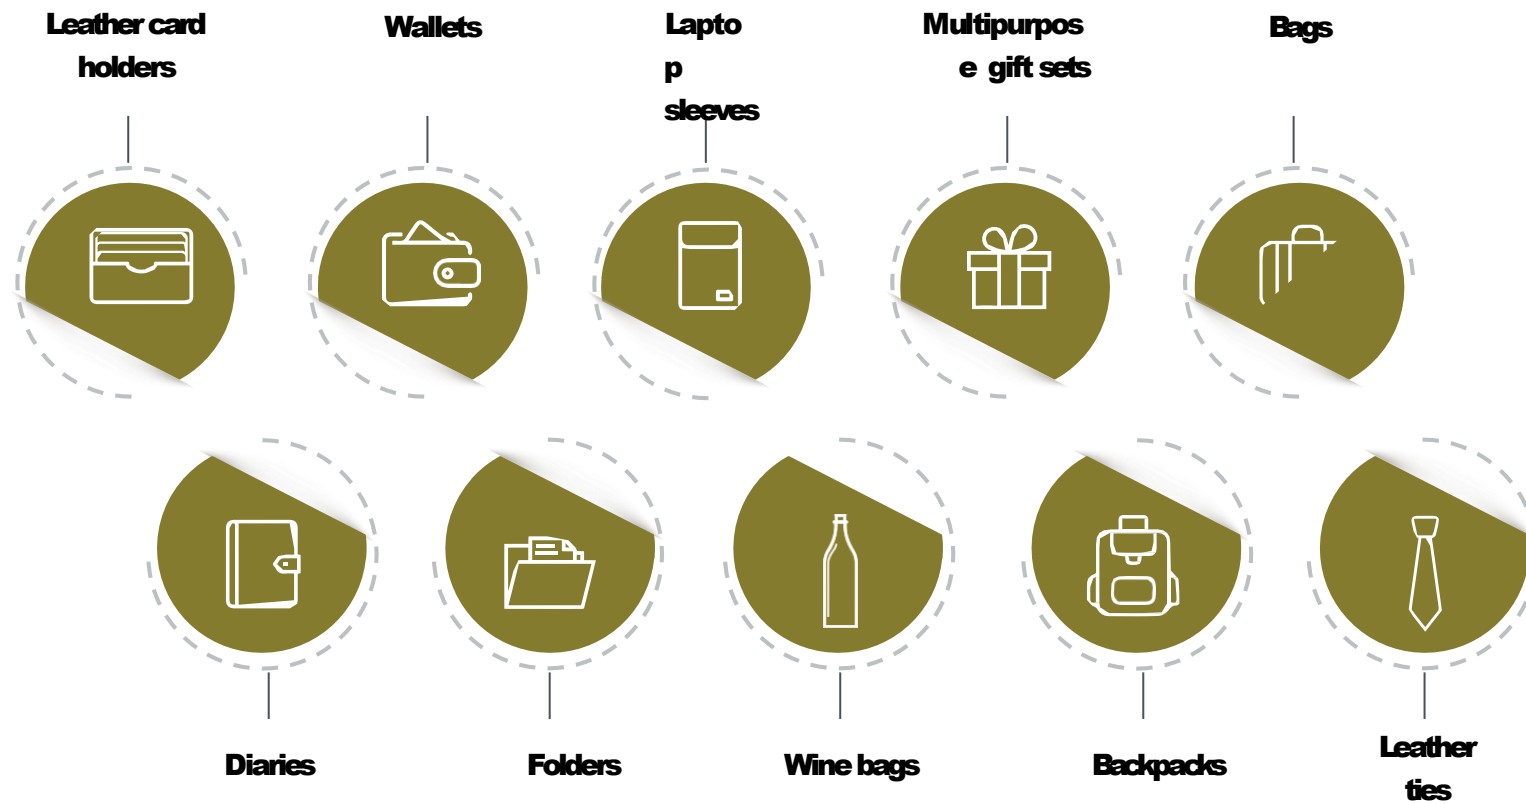

The Team

Havana Exclusive was initiated by Mr Kunal Thukral, who has immense experience in the field of merchandising and supply. Under the mentorship of his father Mr Deepak Thukral, who's a renowned name in the world of leather and leatherette products, Kunal has worked relentlessly towards developing innovative and unique brand promotional products. This partnership has taken corporate gifting to new heights and ensured that the brand value is sustained through the manufactured and procured products .

Extensive range of products

Being the manufacturer itself, Giftexpress can customize the products especially suited to your brand requirements. This implies an endless range of products and extensive variety.

We exist pan India

With this huge a variety of brand merchandising products, and clientele, Gifftexpress is spread Pan India. We have supplied and continue to supply, our products to Bangalore, Chennai, Hyderabad, Gujarat, West Bengal, Gurgaon, Noida, Mumbai and many other Indian cities. Such vast channels have supported in bringing variety to our product catalogue and serving our clients with complete satisfaction.
